**Mission:**

The Massachusetts Rehabilitation Commission (MRC) promotes equality, empowerment and independence of individuals with disabilities. These goals are achieved through enhancing and encouraging personal choice and the right to succeed or fail in the pursuit of independence and employment in the community.

**Vision:**

The MRC provides comprehensive services to people with disabilities that maximize their quality of life and economic self-sufficiency in the community.

**Community Living (CL) Division:**

The MRC Community Living Division is comprised of a variety of programs, supports, and services that address the diverse needs of adults and transition age youth with disabilities to fulfill their desire/need for community integration, to gain maximum control of their destiny, and to participate fully in their community.

- Independent Living Center Services
